KURUNEGALA PLANTATIONS PLC

PLANTATION HUMAN DEVELOPMENT TRUST - KEGALLE

Indian Housing Project - Foundation Laying Ceremony – Wilgoda Saumya Mawatha- Kurunegala

The event was inaugurated on February 19th, 2024 and aims to provide a new home to the hardworking individuals and families who form the backbone of the plantation. The Indian Housing Project holds the promise of breaking the cycle of poverty and insecurity that has plagued our plantation community for generations. Through innovative design, sustainable construction practices and community engagement, it aims to provide not just a shelter, but a pathway to empowerment and self-reliance. We extend our heartfelt gratitude to the Government of India for their generosity, vision and unwavering support in making this project a reality.

Eye Screening Program at Katugampala Area Estate

An Eye Screening Programme was initiated to empower estate workers in maintaining optimal eye health within the resident estate community, especially among those engaging in unhealthy habits like prolonged screen time or neglecting eye care. Identified issues were promptly addressed, with individuals requiring further intervention referred to specialized hospitals for treatment. Residents have received vital support through this initiative in preserving their vision and overall eye health. This programme was conducted with the Wickramaarachchi Opticians.

This programme was conducted with the participation of 80 peoples. Follow up programmes are being carried out by the PHDT Health Team to make sure that the patients are attending to regular clinics.

Value: Rs. 100,000.00
